INFO

Damon Taziyah (tuh-zee-uh) is a multi-disciplinary designer and digital product director. An award-winning creative and self-described “tech-head,” Damon has partnered with iconic brands and agencies, including Home Depot, Uniworld Group, Hirons, W+R Advertising, United Way, Locker USA, Universal Music, Cummins Inc., and various Indiana state government agencies.

Beyond his design work, Damon serves on the board of the Kheprw Institute, an Indianapolis based nonprofit dedicated to empowering marginalized voices and building community wealth.

A proud husband of 20 years and father of four, Damon is also a black-belt instructor and community advocate. He combines the discipline of a martial artist with the vision of a lifelong entrepreneur to deliver impactful, story-driven solutions.

“I love partnering with passionate, purpose-driven people on impactful projects, programs and products.”
